Education

B.Tech – Computer Science 2022
Bhagwan Parshuram Institute of Technology, Guru Gobind Singh Indraprastha University.

Skills

Technical Skills: MySQL, FastAPI, Flask, Git, GitHub
Programming Languages: Python, C++
Web Technologies: HTML, React
Concepts: Data Structures, Object-Oriented Programming, SEO

Certifications

- Machine Learning and AI – Google
- AI for All – Intel
- Data Science and Analytics – HP

Experience / Training

AIML Intern – ETHARA.AI Present

- Developed Python-based data pipelines using Pandas and NumPy to preprocess 10k+ text records, improving data quality for LLM training and inference.
- Executed model training and inference scripts in Python, leveraging NumPy for vector operations and Pandas for analyzing outputs and maintaining structured evaluation reports.

Generative AI Developer Program – Google 2025

- Built and deployed 2+ multimodal AI applications using Python and FastAPI, integrating text and image generation APIs.
- Applied prompt engineering techniques to improve response accuracy and output relevance by 30%.

Projects

AI-Powered Background Remover (FastAPI + CRUD Operations)
Designed a web application using FastAPI that allows users to upload images and remove backgrounds in under 2 seconds per request using AI-enabled services. Implemented full CRUD operations to manage image uploads, processing, and retrieval efficiently.

Jobseek

Developed a comprehensive job-seeking and recruitment web application using the MERN stack (MongoDB, Express.js, React, Node.js) achieving 30% increase in user engagement and a 20% reduction in job search time.

Achievements

- Secured top 4% position in Inter-University Coding Championship 2025, competing among 1500+ participants.
- Secured **1st rank in Inter-College Hackathon** 2024, developing an innovative web-based solution.

Extra-Curricular Activities

- Organized an inter-college hackathon with 100+ participants, managed workshops, and collaborated on various club activities.
- Led and participated in tree plantation drives, cleanup campaigns, and awareness programs, benefiting the local community.
